EDEN ROAD IRIS GARDEN

P. O. BOX 117

WENATCHEE, WASHINGTON

1963

FOREWORD

We take pleasure in presenting our tenth annual catalog to you Iris Fanciers of the world. Again we have labored to make this catalog the equal to or finer than any of its predecessors. Our catalog has been painstakingly prepared with much thought to accuracy of detail. This entails hundreds of hours of research, pasting, and typing. Each year we get many letters extolling the virtues of the catalog. We are gratified that it is so universally accepted.

To our regular customers, thank you again for your orders. We hope to again hear from you soon and we'll be looking for your orders. Please get them in early. To our new customers, welcome aboard! We specialize in quality rhizomes and satisfied customers.

The garden gates are open on week days from 10:00 A.M. to 5:00 P.M. During blooming season, we are also open Saturdays and Sundays same hours; evenings by appointment. You are cordially invited to visit the garden and see the modern iris, the rockeries, and the shrub and flower borders. The plantings make an attractive back drop for the iris.

We have many thousands of seedlings, both re-selected and blooming for the first time. We invite you to come and see them. Our peak bloom is usually about May 20.

We're getting our catalog to you early so you will have time to get your order in early. Each year we sell out of some varieties and have to disappoint the late comers. See page 7 for the bonus for early orders.

GORDON W. PLOUGH

About the Catalog

In the descriptions, E, M, and L, signify Early, Mid-season, and Late. In the breeding look first for the capital "X." To the left of this is the pod parent. To the right is the pollen parent.

A word about the awards may help you who are not A.I.S. members to understand them. H. C. (High Commendation) is an award given to a seedling iris, either under number or name, not introduced at time of judging. This is a recommendation that this variety is worthy of introduction. Next honor in line that an iris may win is the H. M. (Honorable Mention). Any iris that has been officially registered and introduced before the current January 1 is eligible for this award. Next comes the A. M. (Award of Merit). This award is given only to those iris that have won an H. M. not less than two or more than five years prior to the current season. The top award is the Dykes Medal. For a tall bearded iris to win this, it must first have won the A. M. during the previous four years. Mention should be made here, too, of the President's Cup award. This is given to the outstanding iris variety seen at each yearly convention of the A.I.S.

So keep in mind in reading this catalog that there is just one Dykes Medal awarded each year. There are 12 A. M.'s awarded each year (or more if a tie vote appears for 12th place). There is no limit to the number of H. M.'s awarded each year. A tall bearded variety must receive 18 A.I.S. judges' votes to get this award. There were 73 H. M.'s awarded to Tall Bearded iris in the 1962 voting.

Cultural Directions for Bearded Iris

Rhizomes will be shipped to you in a firm condition and should be planted as soon as possible after they are received. If you are unable to plant on receiving them, then be sure to keep the rhizomes in a dry and cool place until you can plant them.

Your soil should be damp before planting and a good wetting after planting is usual, depending on weather conditions. After roots are well established, be careful and DON'T water too often. Bearded iris demand good drainage. If your soil is heavy and poorly drained, set the rhizomes a little higher than the surrounding soil. The rhizome should be planted so the soil just covers it and no more; be sure and spread the roots well and firm the soil around them. This will anchor the rhizome until the new roots form.

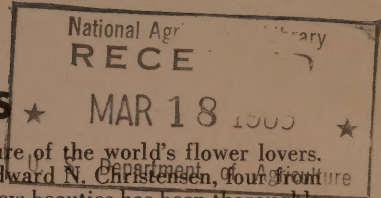

In early spring a side dressing of **WELL ROTTED** manure produces beautiful blooms. Care must be taken not to allow any fertilizer to come in direct contact with the rhizome.

Separate your plants about every third year for best results.

A small handful of bone meal to each plant well worked through the soil before planting is advised.

In the colder sections, a winter mulch is good cheap insurance for newly set plants. Evergreen boughs, pine needles, excelsior or any coarse materials that will not mat down are suggested as good materials.

NEW INTRODUCTIONS

Eden Road proudly presents 16 new Tall Bearded iris for the pleasure of the world's flower lovers. This group consists of one iris from Gerhardt A. Carlson, one from Edward N. Christensen, four from Jeannette W. Nelson, and ten from Gordon W. Plough. Each of these new beauties has been thoroughly tested for several years and we hope they will find favor and brighten a few lives in this old vale of tears.

BLEWETT PASS (Plough '63) EML. 39 in. No. 59-74-5. (Galilee X Lost River). Beautifully ruffled and flaring, tall new medium blue between Hyacinth Blue, Wilson 40 and Moorish Blue, Wilson 739/2. Beard is light orange tipped blue. The flowers are large with wide petals. Four branches and terminal. Limit one to a customer.....\$25.00

BON VIVANT (Plough '63). See page 4.

CONGO SONG (Christensen '63) M. 36 in. No. 8G4-1. (Storm Warning X Sable Night). Exotic new dark beauty with standards of dark violet. The black falls are edged lighter violet. Beard is violet. Petals are wide. Well branched and has fertile pollen. H. C. '61.....\$25.00

FINE PLUMAGE (Plough '63) EML. 31 in. No. 56-56-23. (Colockum x (Gilt Edge x Hit Parade)) X (Riviera). Sib to Glamorous. Warm frothy white with a suffusion of light lemon-buff in the entire heart of the flower. Beard is lemon-buff tipped white. The large flowers have nice form and are semi-flaring. All petal edges are nicely laced. Three branches and terminal.....\$25.00

FRENCH LACE (Plough '63) EM. 32 in. No. 59-211-7. (Whir of Lace X Cloud Dancer). One of the most heavily laced flowers we have ever seen, yet the buds have no difficulty in opening. The large semi-flaring flowers are warm white with a yellow infusion on the clean hafts. Beard is orange yellow to warm white. Three branches and terminal. Pod fertile. Has pollen. Limit one to a customer.....\$35.00

GAILY CLAD (J. Nelson '63) ML. 36 in. No. 60-7-1. (North Country) X ((Apricot Glory x Cloud-cap) x Pretty Gay. This striking beauty is really different. Color is light blue, Methyl, Wilson 39/2, and the wide falls have bright canary yellow hafts with a big, broad, and long tangerine-orange beard. Form is good with well held standards, substance is heavy, and there is great appeal. Three branches and terminal. Vigorous. Fertile both ways. Should breed red bearded blues. \$30.00

GRANADA (Carlson '63) M. 38 in. No. 58-19-A. (Ruffled Apache) X (Blue Glow x Unknown). Intriguing blend of mulberry, purple, and plum that gives the effect of a mulberry self. There is a little more purple in the closed standards. The semi-flaring falls have clean brownish hafts. Beard is blue. Petal edges are lightly laced. Well branched. Fertile both ways. Pictured on back cover.....\$25.00

HEAVEN SENT (Plough '63) ML. 32 in. No. 59-175-12. (Poet's Dream X Cloud Dancer). Very large, rounded, flaring, medium Amethyst Violet, Wilson 35/2, with a lighter area near the beard which is orange tipped white. All petals are very full and very heavily ruffled. Three branches and terminal. Pod fertile. Limit one to a customer.....\$25.00

LEMON LILT (Plough '63) ML. 36 in. No. 59-172-69. (Pink Sunset X Marilyn C.). Standards are Lemon Yellow, Wilson 4/2, infused pink in center area. Falls are Canary Yellow, Wilson 2/2, with slight pink infusion near the orange-tangerine beard. Styles are pink and lemon. The large flaring flowers are nicely ruffled. Three branches and terminal. Fertile pollen. Limit one to a customer.....\$20.00

LIGHTUP (Plough '63) ML. 36 in. No. 59-172-34. (Pink Sunset X Marilyn C.). Standards are Indian Yellow, Wilson 6/2, with pink infusion in center. Falls are a rich blending of pink and lemon with lighter center area and petal edges of Buttercup Yellow, Wilson 5, with clean hafts. Beard is wide and heavy deep Saturn Red, Wilson 13. Closed standards, flaring falls. Lightly ruffled and fluted. Four branches and terminal. Limit one to a customer. Pictured on front cover.....\$25.00

SING ALONG (Plough '63). See page 5.

SMART SET (J. Nelson '63) ML. 34 in. No. 60-60-1. (Flyaway X Melodrama). Lovely, very ruffled bitone of a most appealing coloring. The closed standards are light Hyacinth Blue, Wilson 40/3, and the broad flaring falls are a rich Violet, Wilson 36, with a yellow beard tipped blue. Lightly laced. Fertile both ways.....\$25.00

SUN COUNTRY (Plough '63). See page 4.

TORCH BEARER (J. Nelson '63) ML. 36 in. No. 61-4-3. (Latin Quarter X Olympic Torch). This beautifully flaring reddish brown is glamorized by dark red brown thumbprints on the hafts, and enhanced by an orange beard. Clean and luxuriant purple based foliage. Fertile both ways.....\$20.00

WESTERN WELCOME (J. Nelson '63) EML. 36 in. No. 57-59-1. (Twenty Grand X June Meredith). This is a warm, fully ruffled flower with fluting, done in honey brown with an amber tinge. Beard is brown. Prolific grower and bloomer with several flowers open at the same time. Fertile both ways. Will be of help in breeding lacy browns with red beards.....\$25.00

WILD PLUM (Plough '63). See page 5.

BON VIVANT

(Plough '63) EM. 34 in. No. 59-266-37.
(No. 55-54-4 Pansy Face: Sib to Kachina Doll X Melodrama). Standards are warm gray or gray buff. Falls are light red-violet or Bishop's Violet, Wilson 34/2. There is a faint blue line below the beard which is light orange tipped blue. Flowers are large and rounded, with a frosty glitter. Three branches and terminal. Fertile both ways. Limit one to a customer.\$35.00

SUN COUNTRY

(Plough '63) EML. 33 in. No. 59-18-25.
(Butterscotch Kiss X Cloud Dancer). Large and fully rounded flower of semi-flaring form, closed standards, and lightly laced petals. Color is light Canary Yellow, Wilson 2/2 with white signal in center of falls. Beard is Indian Yellow, Wilson 6/1, with lighter tip. Four branches and terminal. Fertile both ways.\$25.00

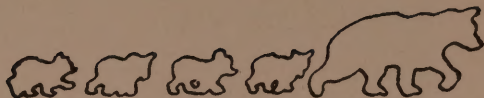

SING ALONG

(Plough '63) EML. 33 in. No. 55-68-8. (Gay Pal) X (Pinnacle x Party Dress). Jaunty, horizontally flaring flower. The white standards have a slight infusion of yellow at midrib. Falls are deep Canary Yellow, Wilson 2. Beard is deep Saffron Yellow, Wilson 7. Standards are closed and flowers are of medium size. Four branches and terminal. Fertile both ways. We're using this heavily in our pink amoena breeding. H. C. '62.
.....\$20.00

WILD PLUM

(Plough '63) EML. 34 in. No. 59-266-30. (No. 55-54-4 Pansy Face: Sib to Kachina, Doll X Melodrama). Large flower with closed standards and semi-flaring, heavily ruffled falls. Standards are a browner tone of Plum Purple, Wilson 934/3. Falls are lighter and bluer than Spectrum Violet, Wilson 735/3, with 1/4 in. border same color as standards. Beard is orange tipped blue. Three branches and terminal. Fertile both ways. Limit one to a customer.....\$35.00

PLEASE READ CAREFULLY

Get your order in early. WE SHIP ONLY DURING JULY AND AUGUST. On all orders postmarked by May 31, 1963 you may select 10% of your iris order (value) as an added premium. This is not a cash discount and should not be used as such.

1963 OFFER

Minimum order \$10.00

On orders from \$10.00 to \$12.50.....you may select 25% more value in free iris
On orders from \$12.75 to \$15.00.....you may select 40% more value in free iris
On orders from \$15.25 up.....you may select 50% more value in free iris

Others may give higher premiums, but none have as many NEWER IRIS from which to choose as does Eden Road.

Here are examples as to how this works. Your order may look like this:

1 Azurite	\$10.00	1 Bon Vivant	\$35.00
1 Cream Cockatoo.....	1.50	1 Duke of Burgundy.....	7.50
1 Witch Doctor	1.00	1 La Paloma	17.50

Check enclosed.....		Check enclosed.....	
\$12.50		\$60.00	

If you wish to leave the selection of your free iris up to us, we'll give you even better value.

Please do not figure out the mathematical percentages and show discount, but enter order as shown in examples above. In this way you select your own free extras. We do not allow you to pay for part of the value of one iris and take the balance of cost of this same iris as your free extra. (This would be the same as a cash discount.) Remember, we have no cash discount.

Order early as some varieties are in short supply. On later orders, please give us second choices on free premium iris. This will save time and correspondence. Keep in mind that we ship only during July and August.

Remember that we pay postage or express on all orders in U.S.A. Foreign shipments are F.O.B. Wenatchee.

Please do not write letter on order blank, but use separate sheet. All orders will be promptly acknowledged. If you list your order alphabetically, it will save us time and money. You will gain by it, too; try it and see.

We do not issue a Wholesale list. Dealers, send us alphabetical list of stock in which you are interested and we will quote you. Please use your garden letterhead or give other evidence of your commercial status. Minimum order \$10.00.

TERMS: Cash with order. Please remit with money order or check made out to Eden Road Iris Garden. No C.O.D. orders or stamps accepted. Minimum order \$10.00.

SHIPPING will be by rotation as orders are received and will begin in early July and continue through August.

POSTAGE OR EXPRESS will be paid on all orders in the U.S.A.

FOREIGN SHIPMENTS are F.O.B. Wenatchee.

WASHINGTON STATE RESIDENTS only
—please add 4% Sales Tax.

GUARANTEE: All rhizomes are guaranteed to be true to name, labeled, top quality and size, free from insect pests and disease. If for any reason you are not completely satisfied please notify us promptly. On failures to grow, notify us by November 1.

Most of the recent Eden Road introductions may also be seen in the exhibition garden of Mr. and Mrs. L. L. "Lyn" Hoffman, 113 D. St., Davis, California. They are our agents for the Sacramento area and invite you to see these new creations and will be happy to take your orders.
